General Information

This is our second season based on Wroxham Broad. We are affiliated to NBYC but remain a separate club and retain our unique identity.

We run our own winter series of racing and social programmes. NBYC & SFSC members have full access to the clubhouse and a standing invitation to spectate and to enjoy any catering provided during racing. We are happy for sailors to join in our club racing twice before we ask you to join SFSC.

We look forward to continuing our rewarding and enjoyable partnership.
